REGULATORY COMMISSION

CAUSE NO. 42115-GCA 2

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On October 28, 2005, Valley Rural Utility Company ("Petitioner") filed a Petition seeking a Commission Order. Although the Cause Number and the information contained in the Petition appear to indicate that the Petitioner is requesting Commission approval concerning a Gas Cost Adjustment, the caption does not accurately reflect this request. Accordingly, the Presiding Officers find that the Petitioner should file a motion to amend the caption within ten (10) days from the date of this entry to ensure that the caption fully and accurately reflects the relief requested in this Cause.

IT IS SO ORDERED.
